CIA Representative JIG

9 September 1949

Assistant Director, Reports and Estimates

Forwarding of enclosure (twenty copies)

ENCLOSURE: Resources and Allocations of Steel, Aluminum, Petroleum, Electric Power, and Technical Manpower for the USSR, 1949-1952 - Revision of JIG 435/21 "Soviet Capabilities and Courses of Action, 1952"

1. The enclosed paper, which comprises the introductory sections and the conclusions of a forthcoming CIA Intelligence Memorandum (IM-181), is forwarded in advance of publication at the oral request of the Army representative on the Joint Intelligence Group. It is sent at this time for use in connection with a forthcoming series of conferences.

2. It is expected that IM-181 as completed will be delivered to all above addressees on or about 20 September.
